## Volunteer of the Month

### MARCH 2014

**Name:** Christine Maine

**Rostered day:** Monday mornings

**Time volunteering:** Since May 2013

**About Chris :** Chris works the busiest shift at our Centre and impresses us with her competency, cheerfulness and ability to stay calm and professional under pressure. On Monday mornings the 'phones run hot and she takes it all in her stride. She is unflappable!

We are indebted and so grateful to volunteers like Chris who give their time and expertise to us and their contribution makes us able to see many more clients and people in need of legal and financial help on the Gold Coast.
