

GOLD COAST COMMUNITY LEGAL CENTRE
& ADVICE BUREAU INC.

Volunteer of the Month September 2014

Name: Susan Garrett

Rostered day: Thursday afternoons

Time volunteering: Since 2002

About Susan: Susan is one of our longest serving volunteers. She commenced with us in 2002 and continues to work on the front counter. She was also on our Management Committee for over 8 years.

Susan has a very busy job running her own business in Southport but takes time away from that to come here and volunteer because she has a strong personal belief in the value of donating time and skills wherever possible to make a difference.

Susan is a much valued member of our team and contributions like hers certainly do make a huge difference to people's lives and allow us to continue to do the work that we do.

The Centre appreciates you and all that you do! Thank you.
